

ROSTISLAV GRISHIN

Senior AV & Automation Specialist | Network & Security Integrator

Edmonton, AB | 780-599-0885 | grishin.rost@gmail.com | rostman.net

PROFESSIONAL SUMMARY

Senior Integration Specialist with 13+ years of hands-on expertise in **High-End AV Automation**, Network Architecture, and Integrated Security. I bridge the gap between hardware installation and complex software configuration. My core strength is deploying enterprise-grade networks (Fortinet, Aruba, Cisco Meraki) to support stable AV-over-IP ecosystems. Expert in **Philips Dynalite** and **Control4** logic. Proven track record of troubleshooting complex IP conflicts and optimizing remote management (OvrC).

TECHNICAL SKILLS

- Network Engineering:** Fortinet (FortiGate), Cisco Meraki, Aruba Instant On, Araknis, Ubiquiti UniFi.
- Building Automation:** Control4 (Advanced Programmer), Philips Dynalite (Commercial Lighting & HVAC).
- AV Infrastructure:** Rack Fabrication, AV-over-IP Matrices (Just Add Power/Crestron NVX equivalent), Multi-zone Audio.
- Remote Management:** OvrC, Domotz, VPS Management (OVHcloud) for remote diagnostics.
- Security & Access:** AXIS (A1710-B, Camera Station), DSC Neo, Brivo.

PROFESSIONAL EXPERIENCE

Unified Automation Inc.
Systems Integration Specialist

Edmonton, AB
Oct 2025 – Present

Transitioned role from standard installation to complex systems engineering and integration.

- High-Level Integration:** Configure and program **AXIS A1710-B** network door controllers, integrating them with **AXIS Camera Station**.
- Infrastructure Management:** Manage 50+ endpoints (IoT, IP cameras, network sensors) ensuring 99.9% uptime.
- Server Administration:** Deploy and manage **VPS** on OVHcloud to host remote management tools and secure VPN tunnels.
- Workflow Automation:** Developed automated digital workflows reducing incident response time by **~25%**.

Signature Technology Integrations
Security & Network Technician

Edmonton, AB
Mar 2025 – Oct 2025

- Commissioned hybrid security systems (DSC Neo, Brivo) for **20+ commercial sites**.
- Executed complex "system takeovers": diagnosing and reprogramming legacy systems without documentation.

TopAudio
Senior Automation Integrator (Control4 & Dynalite)

Herzliya, Israel
Jan 2022 – Oct 2024

- Rack Fabrication:** Designed and built complex 42U AV racks involving Audio Matrices and heavy network infrastructure. Enforced strict cable management standards.

- **System Commissioning:** Lead Integrator for luxury residential projects; programmed complex **Control4** logic for lighting, HVAC, and AV distribution.
- **Network Logic:** Deployed **Araknis** and **Cisco** switches, configuring VLANs for AV traffic separation.
- **Remote Support:** Reduced site visits by **30%** using **OvrC** for remote power cycling and diagnostics.

O-me

Jerusalem, Israel

Network Implementation Engineer

Nov 2019 – Jan 2022

- Architected SMB and residential networks using **Fortinet (FortiGate)**, **Aruba**, and **Cisco Meraki** appliances.
- Configured complex Wi-Fi heatmaps for large concrete structures, ensuring **100% coverage reliability**.
- Built and managed structured cabling systems for smart home environments.

KAHANE

Netanya, Israel

Smart Home Systems Engineer

Dec 2016 – Nov 2019

- **Stakeholder Management:** Collaborated with architects to integrate technical requirements into design plans.
- **System Deployment:** Deployed complex Control4 and **Philips Dynalite** systems in **70+ properties**.
- **Network Segmentation:** Configured VLANs and subnets to separate AV traffic from guest networks.

EDUCATION & PROFESSIONAL DEVELOPMENT

Master's Degree (M.Eng.) in Radio-engineering & Electronics

2010 – 2012

Almaty University of Power Engineering & Telecommunications

Specialized Training (Non-Certified Hands-On Expert):

- **Control4:** Advanced Programmer Training & Composer Pro Expert.
- **Networking:** Deep configuration experience with Fortinet, Aruba, Cisco Meraki, Araknis.
- **CompTIA Network+:** (Exam Preparation In Progress).
